How to find us

If you are coming from Brecon/Crickhowell

Follow the A40 towards Abergavenny, passing the Llanwenarth Hotel on your right. About 1/2 mile further on, take the next road (not drive) to the left. Follow this uphill and we are the first house on the right hand side. We have a steep curved driveway!

If you are coming from Abergavenny/Heads of the Valley/Usk/Newport/Cardiff/Monmouth

Follow the signs directing you to Brecon and the A40. Pass the Nevill Hall Hospital on your left, then the Lamb and Flag on your right. After about 1 mile, at the next cross roads, there is a bus shelter on your right and a Phone Box on your left. Turn right and continue up the hill and we are the first house on the right hand side just past the parked cars. We have a steep curved driveway that goes all the way round the house. Park at the rear of the property. The studio is on the edge of our woods.
